Arya Vidyapeeth College in Photographs

It is an attempt to visualise the origin, progress and development of Arya Vidyapeeth College through photographs. For the purpose, Dr. Papori Devi, Assistant Professor, Department of Botany was entrusted to prepare a Photo Album, to that effect, in consultation with all the Departments, present and former Teachers, Students and others, wherever possible and necessary.

As per our instruction and advice, it seems, Dr. Papori Devi has done her task with sincerity and devotion and helped us to prepare the Photo Album of our College. All the co-operators in the task deserve appreciation and acknowledgment.

Principal,
Arya Vidyapeeth College, Guwahati-16
